Second Appeal received on : 08-08-2011

Information Sought:-

The Appellant has sought the following information :-
Kindly provide me a signed copy of my Provident Fund annual statement (Year-wise) indicating the GC & PC along with the interest calculated since 1982.

PIO's Reply:-

The appellant was provided with the following reply:-
A statement showing the calculations of Government contribution alongwith Interest thereon for the period from September,1982 to March,2010 and copies of PF statements for the period 2003-04 to 2009-10 are enclosed.

Grounds for the First Appeal:

Unsatisfactory reply was given by the PIO.

Order of the First Appellate Authority (FAA):

In connection with of the appeal, it is intimated that, the CC alongwith interest worked out from 1982-83 to 2009-2010 is correct and based on information available in the file. Shri Chandran is advised to approach the Dy. Controller of Accounts(PF) and specify how the information given is incorrect. Regarding Point Nos.2 &3 of the appeal, it is mentioned here that, Shri Chandran was transferred from RMP, Mysore in April 2003 and P.A.O. RMP has transferred the PF amount of ₹ 134711/- as on that date in June, 2003. Accordingly PF Ledger Card was made in 2003-04 in BARC and since then the Annual PF slip copies were provided to him vide this office letter dated 16.3.2011. From 2003-04 to 2007-08, the PF account was maintained under GPF and hence no CC. Ever since Shri Chandran was

reverted to CPF vide office Order dated 12.3.2008, the PF account was maintained i.e. from 2008-09 onwards with GC. But the CC shown in the PF card 2008-09 is incomplete without Opening Balance. CC has to be worked out by PF section right from the date of joining till 2009-10 with the help of Service Book details and the entire CC has been projected in a separate Working sheet provided to him on 16.3.2011. Since the GC is provided for all the years (i.e. from the date of joining) only in 2009-10, this cannot be shown along with Annual slip issued every year till 2009-10.

Ground of the Second Appeal:

Unsatisfactory reply was given by the PIO and Unsatisfactory order was passed by the FAA.

Relevant Facts emerging during Hearing:

The following were present

Appellant: Mr. V B Chandran on video conference from NIC-Mumbai Studio;

Respondent: Mr. Goverdhan Rao, PIO & Head Personnel Division on video conference from NIC-Mumbai Studio;

The PIO has given information as available on records to the Appellant. The appellant states that earlier he has been given one statement and now the statement given to him is different. The respondent states that the information available on the records has been provided to the Appellant. The appellant appears to have a grievance that earlier he had been given to understand that there was a larger amount in his PF account and the information provided to him in RTI shows the amount to be lower. For this the Appellant will have to approach an appropriate forum since the PIO states that the information has been provided as per available records.

The information available has been provided.

This decision is announced in open chamber.
