2. We heard both the parties.
3. In his RTI application, the Appellant had posed a number of questions seeking clarification/information on the discontinuance of MSc degree in computer sciences as an additional qualification for change of track in the BARC. The CPIO had provided him with the available information but without providing the copies of any specific documents. Against this, he had preferred an appeal. The Appellate Authority disposed of the appeal by endorsing the information already provided by the CPIO.
4. After carefully considering the facts of the case and the submissions made during the hearing, we think it would be appropriate if the CPIO would provide him with a copy of the circular/rules framed by the BARC laying down the eligibility conditions and educational qualifications for change of

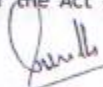

track. We direct the CPIO to send this information within 10 working days of receiving this order.

5. The appeal is disposed of accordingly.
6. Copies of this order be given free of cost to the parties.
