NUCLEAR AND RADIOCHEMISTRY SYMPOSIUM (NUCAR 2005)

In association with the Guru Nanak Dev University, Amritsar, the Board of Research in Nuclear Sciences (BRNS), DAE, is organising a symposium on Nuclear and Radiochemistry at Amritsar, during March 15-18, 2005. The objective of the symposium is to provide a forum for effective interaction among the scientists in the areas of Nuclear and Radiochemistry and application of Radioisotopes for the advancement of these disciplines.

The scope of the symposium covers the areas of
- Nuclear chemistry
- Chemistry of actinides and reactor materials
- Spectroscopy of actinides
- Chemistry of fission and activation products
- Radioanalytical chemistry
- Radioisotope applications
- Radioactivity in environment
- Nuclear instrumentation

The programme will include invited talks by eminent scientists as well as contributed papers. These papers would be either oral presentations or posters. A special half-day seminar on “Application of Radioisotopes in Health Care, Agriculture, Industry & Chemical Research” is also being scheduled as part of the programme.

Interested persons may contact or write to:
Dr Raghunath Acharya
Secretary, NUCAR 2005
Radiochemistry Division
BARC, Trombay,
Mumbai 400085, INDIA
Tel. : 91-22-2559 0639/5012/2456
Fax : 91-22-2550 5151 or 91-22-2551 9613
E-mail: nucar05@apsara.barc.ernet.in
