As part of continuing health and safety promotional activity of the Industrial Hygiene and Safety Section, Health Safety and Environment Group (HS&EG), National Safety Day was celebrated at the Centre on March 5, 2015 at the Central Complex (CC) Auditorium.

The day-long programme commenced with the participants taking the Safety Pledge read by the guests of honour Shri R.J. Patel, Chairman, CFSRC and Shri R.P. Raju, Controller, BARC. Shri S. Soundararajan, Head IHSS, spoke about the methodology of selection of the award-winning safety slogans and posters and thanked the committee which was constituted for this task. Shri R.P. Raju reiterated that accidents were preventable through appropriate control measures and by adopting safe practices. Shri R.J. Patel, in his address, stressed the importance of dissemination of health and safety related information. He appreciated the staff of the Industrial Hygiene and Safety Section for putting up concerted efforts in improving the safety status of this institution. The winners of safety posters and safety slogan competitions were awarded prizes by the guests of honour. Later, Shri R.J. Patel inaugurated the Safety Poster Exhibition arranged at the CC Auditorium. As part of the programme safety films were also screened.
