

CEAMCR – 2018

Conference on Electrochemistry in Advanced Materials, Corrosion and Radiopharmaceuticals

February 15-17, 2018

Organized by

Indian Society for ElectroAnalytical Chemistry

In association with

Department of Atomic Energy
Bhabha Atomic Research Centre
Board of Research in Nuclear Sciences

Venue:

DAE Convention Centre, Anushaktinagar,
Bhabha Atomic Research Centre,
Mumbai 400094, India

For more information, visit us at www.iseac.org.in

Scope

The Conference is planned to accentuate the multidisciplinary nature and impact of Electrochemical science in today's World. It includes but not limited to:

- ✓ Electrochemical Sensor and Biosensor
- ✓ Li-ion Battery, Supercapacitor, Solar Cell, Biofuel Cell
- ✓ Electroplating and Corrosion
- ✓ Electrochemistry in Molten Salt and RTIL
- ✓ Electrochemistry for Health and Environments
- ✓ Electrochemistry for Radiopharmaceuticals
- ✓ Theoretical and Computational Electrochemistry
- ✓ Nanoscale and molecular Electrochemistry

Important Dates

Abstract submission: October 15, 2017 to November 15, 2017

Registration: November 20, 2017 to December 31, 2017.

Submission of abstract and registration for the conference must be completed online through the conference portal available at www.iseac.org.in

Registration Fees

| Category | From India | From overseas |
|-----------|------------|---------------|
| Faculty | INR 6000 | US\$ 600* |
| Student | INR 4000 | US\$ 200 |
| Accompany | INR 5000 | US\$ 300 |

Life members of ISEAC will avail discount of Rs. 1000 in the registration fee. Registration fee includes accommodation for 4 nights (February 14 – 17, 2018) on twin sharing basis at BARC facilities and hotels, conference proceedings, tea & coffee, lunch & dinner during the conference.

*The participants from overseas must submit their passport details well in advance through the conference web site. *US\$ 400 on invitation.*

Registration fees will be accepted only for independent payment through your net banking system to the following account:

Name of Bank: State Bank of India, BARC Branch, Mumbai-400 085, India

Branch code: 1268

Beneficiary name: Indian Society for ElectroAnalytical Chemistry (ISEAC)

Account number: 10536132966.

BIC (Swift Code): SBIINBB508.

IFSC code (for within India): SBIN0001268

Please attach the transaction receipt (your name.pdf) while filling up the online registration form through the conference web site.
