

First Announcement

Department of Atomic Energy and Board of Research
in Nuclear Sciences Sponsored

DAE COMPUTATIONAL CHEMISTRY SYMPOSIUM (DAE-CCS-2019)

will be organized by

Chemical Engineering Group, BARC

during **November 7 – 9, 2019** at

DAE CONVENTION CENTRE, MUMBAI, INDIA

For details, please contact:
shenoykt@barc.gov.in

For details, please contact:
musharaf@barc.gov.in

Scope of the symposium

- Fundamental studies on structures, thermodynamics and transport properties
- Metal ion and Isotope separation
- Water purification
- Reaction mechanism and catalysis
- Nanomaterials and polymers
- Hydrogen and other gas storage materials
- Chemical biology
- Radiation damage in materials

Organizing Committee

- Dr. Sadhana Mohan, Chairperson
- K.T. Shenoy, Chairman
- Dr. Sk. Musharaf Ali, Convener
- Dr. Anil Boda, Secretary
- Ashish K. Singha Deb, Secretary
