Tender No. APD/EHPPL/SK/MF/2022/OPA/02

Date: 23/05/2022

Sub: Minor Fabrication-Invitation of Quotations

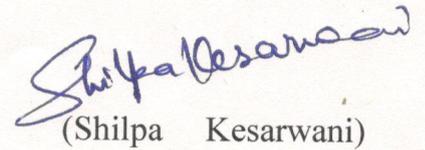

Dear Sir,

- 1) Quotations are invited for the minor fabrication job of **Manufacturing, Inspection, and Supply of "Viton O-Ring For High Pressure Application" at EHPPL, Chinchovli village, Kalyan (E) as per attached Annexure-1.**
- 2) Bidder shall quote for fabrication of the same.
- 3) Taxes, transportation charges and P&F charges shall be quoted separately.
- 4) Quotation must be in the printed letter head/quotation format, which should consist of GSTIN, registration number registered with local ST authority/CST authority, PAN number of the firm etc. Quotations that are received in computer-generated form shall be construed as invalid and rejected.
- 5) GST Exemption certificate will be provided by BARC as per CBEC (Central Tax Rate) Notification no.45/2017 and 47/2017 dated 14 th November, 2017.
- 6) *The Bidder shall submit his quotation in two parts: Part-I: Technical bid and Part-II: Financial bid. The technical bid shall be un-priced bid including technical details, agreement/disagreement to the job and proof of ability. The Bidder is strictly instructed NOT to submit Price bid in Part-I of his quotation. Bidder is required to quote the Price separately as Part-II of his quotation. If the Price bid is submitted as Part-I, the quotation will be rejected without any further consideration. Both the sealed envelopes Part I and Part II shall be sent in single sealed envelope.*
- 7) **The parties shall specify the manufacturing method in Part I: Technical bid. The O-ring shall be made in single mould i.e. without joint; otherwise the quotation will be rejected without any further consideration.**
- 8) Any deviation from the requirements indicated in the specification, drawings, annexure etc. shall be brought to notice of the Purchaser by the Bidder in his quotation.
- 9) **Proof of ability** - The Bidder shall submit a brief list of works executed by him in past for manufacturing of high pressure seals having similar sizes as a proof to the standards and quality specified in the quotation. This list shall be backed with documentary proof e.g. purchase order and Work completion certificate.

- 10) Bids lacking details sought as per this document will be summarily rejected without expecting any further communication.
- 11) The price quoted must be firm for the entire period of contract and shall not be subjected to any change.
- 12) **Part-I: Technical bid and Part-II: Financial bid shall be sealed in two separate envelopes super scribed with the above reference number and Part-I: Technical bid or Part-II: Financial bid. Both sealed envelopes (two parts) shall be submitted inside another sealed envelope.**
- 13) The quotations must strictly reach,
Head, Applied Physics Division
Purnima Laboratory
Bhabha Atomic Research Centre,
Trombay, Mumbai 400085.
Attn: **Mrs. Shilpa Kesarwani**
on or before **08/08/2022, 16:00 HRS** and must be sent in a sealed envelope using **Speed-Post** super scribed "MINOR FABRICATION" with the above reference number and due date given above.
- 14) The fabrication work shall be subjected to inspection by our engineer. The work will be considered acceptable, after inspection by the purchaser's inspector and on issue of Test certificate of the purchaser's inspector.
- 15) The bidder shall specify the **delivery period** (not exceeding **10 weeks**), in case of order.
- 16) **Head, Applied Physics Division, B.A.R.C.**, reserves the right to accept/reject any or all quotations without assigning any reason.
- 17) Any delay which is attributable to the supplier is liable for penalty @ 0.5 % per week (max 10%) to be imposed on the supplier.
- 18) **Income Tax:** Income Tax @ 2% and GST TDS@ 2% of basic cost will be deducted from your bill in case of order.
- 19) **Payment** will be made as per rules after completion of the job satisfactorily.
- 20) **Validity:** The offer shall be kept open for acceptance for a period of **60 days** from the date of opening of quotation
- 21) **Delivery:** The bidder shall deliver the finished components after approval by our engineer, and scrap form the free issue material shall be delivered by the bidder at **EHPPL, BARC, Chinchovli village, Kalyan (E)** at free of cost.
- 22) The Purchaser reserves the right to accept the Quotation in whole or in part or reject any or all the quotations without assigning any reason. The lowest or any quotation shall not necessarily be accepted. Quotation not supported by the information requested in the tender document, or not complying with the tender document will not be accepted.

23) Confidential Information: The drawings, specifications, reports, samples and such other information furnished to Supplier relating to the supply/works, sub-system/equipment etc. are to be treated as confidential which shall be held by Supplier in confidence and shall not be divulged, transferred, exchanged, published, gifted or communicated to any third party without the prior written consent of Purchaser. Supplier therefore binds himself, his successors, heirs, executors, administrators, employees and the permitted assignees or such other persons or agents directly or indirectly concerned with the works/supply to the confidential nature of the drawings, specifications, reports, samples etc

Enclosure: Annexure-1(01 pages).

(Shilpa Kesarwani)

SO/D, APD, BARC
For and on behalf of President of India

Note:-In case of any queries, the bidder shall contact to Smt. Shilpa Kesarwani or Mr. Gaurav Pandey on 022-2559 6731

Annexure-1

1. SCOPE: -

Manufacturing, Inspection and supply of "Viton O-Ring for High Pressure Application" as per given specification at EHPPL, Chincholli village, Kalyan (E).

2. LIST OF THE COMPONENTS:-

- a. Viton O Ring for High pressure application
Material: Viton
Size: ID 785 X 8.4 mm X-S/C diameter (cord diameter)
Hardness: Shore A 70
Working Temperature: 200°C
Quantity: 10 Nos.

3. GENERAL REQUIREMENTS:-

- a. The supplier shall manufacture, inspect and supply 10 nos. High Pressure Viton O-ring.
- b. The O-Ring shall be manufactured in single mould i.e. without joint.

4. INSPECTION:-

1. Chemical test report and hardness test report shall be submitted.
2. Inspection, i.e. dimensional check and hardness shall be performed at supplier's site before delivery of all O-rings in presence of the purchaser and the arrangement for required tools for inspection is in the scope of supplier.

5. ACCEPTABILITY:-

All the given components shall be considered acceptable if it passes through pre delivery inspection at supplier's site.

6. WARRANTY:-

All the components shall have minimum one year warranty against any manufacturing defect.

7. PLACE OF DELIVERY:-

EHPPL, BARC, Chincholli village, Hazimalang Road, Kalyan (E).
