11-05-2018

**Sub.: Minor Fabrication-Invitation to quote for the Miscellaneous works at TC&QMS/IGCAR  
@ BARC, Mumbai.**

Dear Sir,

Sealed quotation are invited by Head, TC&QMS,IGCAR@BARC for and on behalf of the President of India for following works.

- 1) Fabrication of 2 Wooden Boxes and packing & sealing of Test Setup for IFTM in wooden boxes with proper packing material as per our specifications.
- 2) Internal painting of walls & ceilings of TC&QMS Office at Room No. S9, Hall 3, BARC (approx. 1500 sqft area with primer coat and putty)
- 3) Removal of existing 6 sets of fluorescent tube light sets. Procurement and installation (with wiring and switch board) of LED tube lights of Tulip make model No. LDP 1053A 22 or Equivalent
- 4) Cleaning of office furniture and arranging the old office documents of TC&QMS Office at BN41, VSB, Anushakthi Nagar.  
(2 persons for 10 working days are required for completing the work)

**A. Scope of Work:**

**1. Fabrication of 2 Wooden Boxes and packing & sealing of Test Setup for IFTM in wooden boxes with proper packing as per our specifications.**

Description of the job :

- a. Wooden Box Size : 900mm(W) X 2200mm(H) x 900mm(D) :1 Box  
(Box should be capable of bearing 150Kg weight and with 75mm cushion on all internal faces.)
- b. Wooden Box Size : 900mm(W) X 900mm(H) x 900mm(D) :1 Box  
(Box should be capable of bearing 100Kg weight and with 75mm cushion on all internal faces.)

Complete packing should be carried out by the vendor with his own manpower in two working days, in the presence of Security Officer, RCnD, BARC, Trombay, Mumbai 400085. The parts are to be cushioned by wrapping with air bubble sheets and all the sides of the boxes (4 side faces, top face and the bottom face) to be protected with foam sheets of minimum 75 mm thickness & Thermocoal of thickness 25mm. The material shall be protected from rainwater by covering with polythene (plastic cling film) sheets.

The time allowed for carrying out the work will be one month from the date of placement of purchase order.

1. This instrument and accessories are highly sensitive and sophisticated equipment costing about Rs. 30 Lakhs and hence, packing should be shock proof to prevent any damages during transportation. The materials used for packing shall be of genuine quality.
2. Packing shall be done by well trained worker well experienced in executing similar jobs.
3. Components & accessories of the instrument are to be packed in boxes made out of sound quality wood of adequate sections, suitable for the size and weight of the parts.
4. 2" x 2" wooden battens to be provided in side the boxes as required to protect the delicate parts from jerks.
5. The quality of material, fabrication, packing shall be subject to inspection by our officer.
6. Since it is a very critical and sophisticated instrument, our (BARC) staff will Supervise the packing work and provide necessary guide lines. The contractor has to strictly follow the instructions from our supervisors /engineers while carrying out the work.
7. All the packed boxes should be tightened and tied with metallic strips. It will be sealed in presence of BARC Security staff.

**2)Internal painting of walls & ceilings of TC&QMS Office at Room No. S9, Hall BARC(approx. 1500 sqft. area)**

- a. Segregation and cleaning of various office furniture and electrical & electronic measuring instruments.
- b. The walls and ceiling of room needs to be cleaned to remove the loose powder/particles and repainted at damaged areas with matching colour after applying primer and putty(approx.1500 sqft. area).
- c. All the walls & ceilings of room shall be painted using standard procedure. Painting two coats with oil bound distemper of (Asian/Nerolac) approved brand matching shade with existing shade with primer coat and putty. After the painting room shall be cleaned to remove any stains and items shall be reinstalled.

The time allowed for carrying out the work will be one month from the date of placement of purchase order.

Note: It may be noted that full office room cannot be handed over for painting as office will be functional during painting also.

**3)Removal of existing 6 sets of fluorescent tube light sets from Room No. S-9, Hall No. 3 BARC. Procurement and installation (with wiring and switch board) of 6 Nos of LED tube lights Sets (22 W each) of Tulip Make model No. LDP 1053A 22 or equivalent.**

**4.Cleaning and arranging the documents of TC&QMS Office at BN41,VSB,Anushakthi Nagar.**

- a. Cleaning of Various office furniture's, walls and ceiling of room.
- b. Segregation and re arrangement of old documents with proper file names.

The time allowed for carrying out the work will be one month from the date of placement of purchase order.(2 persons for 10 working days are required for completing the work)

**Officer In-Charge for the work: Binoy K, SO/D, TC&QMS/IGCAR, BARC** shall be the Officer In-Charge for the work.
