Quantity of Equipment: 8 Nos (Details of the compressor mentioned in annexure -1)

Scope of work: Primary responsibility of the vendor is to keep the equipment in up to date condition during the **contract period (Two year)** and to promptly attend to any problem arising in the system in minimum possible time and as per the following terms and conditions.

1. **Regular maintenance**:
   a. Inspection / cleaning / replacement (if needed) of suction filter, air filter, oil filter, oil separator element.
   b. Maintaining required Oil Level in screw compressor.
   c. Checking the working performance of air compressor allied Dryer cum Refrigerator.
   d. Thorough cleaning, lubrication, testing, re-adjusting, replacement of spare parts needed for proper / smooth operation.
   e. To repair and rectify defects during the currency of the contract.
   f. To keep the equipment in up to date condition during the currency of the contract.
   g. Contract person should submit detail report after every regular/ breakdown maintenance.

2. Breakdown maintenance: In case of any type of breakdown, equipment should be attended within 24 hours.

3. Frequency of servicing:
   a. Eight (08) regular maintenance/servicing visits will be on quarterly basis.
   b. Free breakdown maintenance visit will be on 'As and when required 'basis.

4. OTHER TERMS AND CONDITIONS:
   a. Service Charges accepted shall be firm during the currency of the Contract
   b. Vendor shall provide bank details as required for ECS payment, along with the bill.
   c. Letter from the manufacturer/supplier authorizing the firm as sole authorized agent should be furnished.
   d. Spare parts supplied must be original. The cost of the spare part replaced during the currency of the contract will be paid extra at actual. However, the parts may be replaced with approval of user department regarding the reasonableness of cost and necessity of replacement. A list of common spares needed for proper working may please be forwarded to enable us to stock the same. For payment of the replaced spare part, quotation must be submitted.

e. Original bills (2 copies), advance stamped receipt, Service Report may be submitted for settlement. Bill and cash receipts for payment will be forwarded to the undersigned indicating our contract number for record.
f. Bill for spares replaced during the service contract period will be forwarded to Head of the Division, BARC duly certified by the user department that the spares have been actually replaced and cost is reasonable.
g. The Firm has to mention Service Tax registration number, PAN number, VAT number in the invoice and affix seal of the firm.
h. The firm has to mention the basic amount and Service Tax/VAT separately in the invoice.
i. Payment will be made only through ECS/Core Banking System. Hence, please sure your bank details such as Bank's name & address, A/c No. and IFSC code in the invoice or they have to furnish bank details against each bill. At the end of each service/quarter/six months/AMC period. Payment will be made at the end each service (regular) or 100% payment for spares will be released immediately on receipt of bill duly certified by the user department indicating the spares have been actually replaced and rates are reasonable.
j. Party will invoice in triplicate indicating the service contract number and date, for arranging payment.
k. While the contract is intended to be valid for a period of two years, this Division reserves the right to terminate this contract by giving a notice of one month and without any financial obligation on the part of this Division. In the event of cancellation of the contract for a reason or the other the payment for service carried out will be paid on pro-rata basis.
l. Proportionate amount shall be deducted from AMC charges for non-servicing period.

5. Period of contract: - 2 Year (From the date of placement of work order)

6. Free issue materials: - General workshop facility.

7. Facilities would be made available by BARC:
a) Suitable site for storage of tools & tackles.
b) Free electricity and water supply at site wherever available.
c) Ladder will be provided at the site if required and wherever available.

8. Penalty: Nonavailability of competent staff / engineers, unjustified delay in modification of faults noticed and unsatisfactory maintenance of the complete system shall be treated as a break of contract. Department may consider imposing of suitable penalty or deduction of suitable amount from the payment to be made to the firm in such case. The decision of the department shall be final and binding in this regard.

9. Deduction taxes & surcharge: Income Tax @ 2 %(or as applicable), surcharge on IT as applicable shall be deducted from your bill.

10. Confidentiality clause:
a. Confidentiality: No party shall disclose any information to any third party concerning the matters under this contract generally. In particular, any information identified as "Proprietary" in nature by the disclosing party shall be kept strictly confidential by the receiving party and shall not be disclosed to any third party without the prior written consent of the original disclosing party. This clause shall apply to the sub-contractors, adviser or the employees engaged by a party with equal force.
b. "Restricted information" categories under Section-19 of the Atomic Energy Act, 1962 and "Official Secrets" under Section-5 of the Official Secrets Act, 1923: Any contravention of the above-mentioned provision by any contractor, sub-contractor, consultant, adviser or the employees of a contractor will invite penal consequences under the aforesaid legislation.
c. Prohibition against use of BARC's name without permission for publicity purposes: The contractor, sub- contractor, consultant, adviser or the employees engaged by the contractor shall net use BARC's name for any publicity purpose through any public media like Press, Radio, TV or Internet without the prior written approval of BARC

NOTE: -
a. The vendor should aware about the entry procedure of BARC. PVC (Police Verification Certificate) is required for site work for all workers and it is to be made by party.

b. The vendor should be responsible to submit all the supporting documents for the preparation of entry pass.
c. The vendor should follow all the safety procedure while working inside BARC. Safety and labor related all issues & any dispute are the responsibility of the vendor's only. The vendor should understand the job thoroughly along with all general requirements before accepting work order.

Note: Vender should also attach the list of spare parts and their approximate cost in the quotation.

Vendor should write clearly the Tender No. and due date on the top of sealed envelope containing offer and to be addressed to Head, UED, BARC, Trombay, and Mumbai-85. Tender must be sent by speed post.

Thanking you
