To,

Sub: In-situ dismantling of EDM machine and reconditioning of parts

Dear Sir,

Please send us your lowest quotation for the above site works as per the technical specification and terms and condition given below:

**Scope of work:**

**In-situ dismantling of EDM machine and reconditioning of parts**

- We have a contaminated non-functional EDM machine. This machine has to be dismantled in-situ. EDM machine has radioactive contamination. It has to be decontaminated.
- After decontamination, machine shall be dismantled as per direction of site engineer. This machine has highly valuable components. These components are to be dismantled very cautiously. Only skilled fitters those have previous experience of machine assembly shall be deployed for this job.
- Decontamination of each component. Ultrasonic cleaner shall be used for decontamination. Ultrasonic cleaner of size 500mm long x 250mm wide x 300mm deep shall be arranged by fabricator.
- Segregation of components as directed by site engineer.
- Labelling of components. Categorised storage of components in aluminium boxes.
- Fabricator shall arrange 50Nos. of aluminium storage box of size 300 x 500 x 300mm deep with wall thickness 2.5mm.
- Fabricator shall arrange all the tools used by fitters like socket set, long allen keys, bearing puller etc. Used Tools can’t be taken back.

**Important Note:**

1. The fabricator has to arrange medical fitness certificate for all the working personnel. TLD and Dosimeter will be issued to all working personnel.
2. Since the work is in radioactive area, all working personnel shall strictly follow the instruction of health physicist and dept. supervisor.
3. Since the scope of work involves site work, you shall obtain clearance from police and CID for all staff who may be deputed for site work at PIED, RLG, BARC. This is mandatory and the responsibility of obtaining such a clearance is within your scope of work.
Please note the following:

1. The work is to be completed within 30 days of receiving the firm work order from us.

2. The sealed quotations shall reach the office of the Head PIED, New Hot Cells Facility, RLG, Mumbai – 85 on or before 27.09.2019 by Indian Postal Service.

3. Please address your offer to: Anil Bhandekar, SO/G, Post Irradiation Examination Division, RLG, BARC, Trombay, Mumbai-400 085.

4. The quotations are to be sent in a sealed envelope with the following information marked on top of the envelope: “Quotation for site work”

5. Offers sent by telegram, telex, fax or e-mail will not be considered.

6. All taxes should be mentioned clearly.

7. Quotation should be in the printed letter head /quotation format which should consist of Sales Tax Registration Number, PAN Number of the firm, Service Registration Number, etc.

8. Quotation shall be signed by proprietor or authorized person and affix company seal.

9. Computer generated quotation form will not be accepted.

10. Income Tax @2% will be deducted at source from your bill

11. Delivery period should be mentioned with all the possible consideration.

12. Payment will be made within 30 days from the date completion.

Yours sincerely,

Anil Bhandekar
SO/G, PIED
