Date: 05/09/2018

To,

Subject: Inviting quotations for Repair and Eco-friendly chemical treatment of soil and civil structure using Imidacloprid & Chlorpyrifos, Lindane at EBC Kharghar, Navi Mumbai.

Dear Sir,

On behalf of the President of India, you are invited to quote for Design, fabrication, installation of Microcontroller based programmable electronic drive unit & LCD display for 1MeV DC accelerator as per the technical specifications and dimensions attached at Electron Beam Centre, Kharghar, Navi Mumbai. Terms & conditions are given below.

S. No.	Description of the Job	Quantity
1.a	Repair and Eco-friendly chemical treatment of soil and civil structure using Imidacloprid & Chlorpyrifos, Lindane at EBC Kharghar as per the specifications attached herewith	Total area ~ 73706 sq.ft

Terms and Conditions:

1. The supplier should quote on per unit basis for Repair and Eco-friendly chemical treatment of soil and civil structure using Imidacloprid & Chlorpyrifos, Lindane at EBC Kharghar, Navi Mumbai. The payment will be done as per actual work done.
2. The quotations should have the minimum validity period of two months. The work should be completed in 4 weeks after getting firm work order. Police Verification Certificate should be submitted along with quotation for the technicians involved in the repair work or else the offer will be rejected.
3. BARC being a Government organization is exempted from payment of excise duty and Octroi duty. Goods & Services Tax (GST) @ 5% will be applicable for BARC against exemption certificate.
4. Supplier should submit their offers in their letterhead, placed in sealed envelope super scribed with the above mentioned Reference No., due date and Title, "Repair and Eco-friendly chemical treatment of soil and civil structure using Imidacloprid & Chlorpyrifos, Lindane at EBC Kharghar". Kind attention: "Shri B. Singh", addressed to Project Manager EBC, Rain Tree Marg, Sector-7, CBD Belapur, Navi Mumbai-400614 on or before 17-09-2018. The quotation containing above information should reach us before due date by speed post only, no courier and other mode of delivery will be accepted. The quotation should contain the following details like (i) Period of validity, (ii) terms and conditions of offer, (iii) Approximate period of completion of job, (iv) Copies of registration and income tax clearance certificates (v) PAN, GST and registration no. etc.

5. The repair and chemical treatment shall be subjected to inspection by our Scientists / Engineers at EBC. The purchaser has the right to reject the work if the quality or workmanship is not found satisfactory.
6. Please note that shorter delivery period will be preferred. The case file can be closed before issuing of work order without informing the vendors as per our requirements. For any clarifications you may contact, EBC office, Kharghar on Tel. 022-27524551
7. Payment will be made only after the satisfactory completion of work at the above-mentioned address and after approval by our Scientists / Engineers as per BARC rules.

Technical Specifications of Repair and Eco-friendly chemical treatment of soil and civil structure

- 1) The total area of 73706 sq.ft is including the main building of Electron Beam Centre, Kharghar (Ground + 2 floors) and Substation building (Ground + 1).
 - 2) The colonies of active white ants, breeding insects, termites already existing on the walls, wooden doors and panels are to be removed and cleaned up.
 - 3) The entire buildings and surrounding soil interfacing the walls have to be chemically treated as per Bureau of Indian Standards (Building construction Practices document No. CED 13 (No. 7828 & 7829 conforming to IS-6313 Part-2 & Part-3 treatment for existing buildings). This includes standard chemical products such as Imidacloprid with Chlorpyrifos and Lindane. They should be eco-friendly.
 - 4) The chemical treatment should have a standard warranty of 5 years approved by authorised manufacturers (OEM). The MSDS for the chemicals used should be submitted alongwith the quotation. Otherwise the offer will be rejected.
 - 5) The technicians should be trained, qualified and certified for the repairs and chemical treatment of the above.
 - 6) The technicians should have a valid Police Verification Certificate without which the offer will not be valid.
 - 7) It will be preferable, if the chemical treatment includes the prevention of pests, rodents and mosquitos.
 - 8) The entire work should be carried out in EBC premises within 4 weeks from the date of firm work order.
