Description of work	Duration
Miscellaneous site works at WIP, PP & RSMS BARC, Trombay.	45 working Days

Important Notes:-

1. Nature of works:-

The site works are to be carried out in normal as well as radioactive areas. The brief descriptions of the works are given below.

- Shifting & handling of inactive materials such as lead bricks, lead ingots and other heavy materials from WIP/PP to RSMS at BARC, Trombay and other associated works.
- Site works in radioactive area are mainly removal of debris, packaging, disposal and other associated works.
- TLDs will be issued to the manpower for above works and the works in the radioactive area will be executed under the coverage & guidance of Health Physicist.

2. Vendor Evaluation Criteria:-

- As the site works are to be carried out mostly in a radioactive area at RSMS site of BARC, Trombay on urgent basis in a given stipulated time frame; vendors having readily available man-power with valid police verification certificates should only participate in the bidding.**
 - The vendors should have previous experience of working in radioactive area.
 - The vendors should have skilled fitters.
 - Vendors must visit the BARC site to get the complete idea of the nature of the work.
- 3. Other details of this enquiry like the bill of quantities will be given to the vendor satisfying above criteria & undersigned shall be contacted for site visit and technical discussion.**
- 4. The work shall be completed within 45 working Days from the date of issue of the work order.**

5. Any deviation from specification shall be clearly mentioned in your offer.
6. The quotation shall be printed only on letter head and GST number should be mentioned on it. Quotations that are received in computer generated form are to be construed as invalid and will be rejected.
7. Income tax @ prevailing rate at the time of execution of work and applicable surcharge on Income Tax as applicable & education cess on IT & SC as applicable will be deducted from the bill.
8. The enquiries should be sent only by speed post/Normal Post through Indian Postal Service and should be addressed to:

Devendra Sandhanshive,
Scientific Officer-F
Room No. 315, CDCFT Building, Near WIP,
Technology Development Division, Nuclear Recycle Group
Bhabha Atomic Research Centre, Trombay, Mumbai-400085
Ph.no. 022-25591279 / 6721 / 5502

9. **The following information should be written on the sealed offer:**
 - a. Our Enquiry no.
 - b. Subject
 - c. Due Date
 - d. Sender's full address.
10. **The bids sent by any other mode (e.g. manual, courier etc) shall be rejected without assigning any reasons as per terms and conditions of Accounts, BARC.**
11. The offer shall be kept valid for a period of 45 days from the date of opening.
12. Quotation shall clearly mention basic cost, rate of GST and any other taxes/levies applicable separately. It may please be noted that BARC has been declared as R&D organization and concessional rate of GST is applicable. Necessary exemption certificate will be made available to successful vendor.
13. Offers will be evaluated on overall **total cost basis**.
14. Full payment shall be made only after successful completion and acceptance of the work. In general after submission of all the papers mentioned in work order, it takes about a month period for releasing the payment, as per standard practice followed in BARC.
