Ref: CnID/2018/205107

Date: 25/10/2018

Sub:Fabrication, Testing and Supply of film-foil Capacitors of 4kV, 50nF, 8kA with Size:27mm\*21mm\*6mm---1000Nos.

Dear Sir/Madam,

Quotations are invited for the “Fabrication, Testing and Supply of film-foil Capacitors of 4kV, 50nF, 8kA with Size:27mm\*21mm\*6mm---1000Nos.”

1. Bidder shall quote for fabrication and supply of parts along with material.
2. Taxes and GST shall be quoted separately. Form AF / H whichever is applicable shall be provided, if required.
3. The quotation must reach by speed post to The Head, Control Instrumentation Division by **12/11/2018** and must be sent in a sealed envelope super scribed with the reference number & the due date given above.

The address on the envelop should read:

Head, CnID, E&I Group,  
RCnD, Bldg., North Site  
BARC, Trombay,  
Mumbai - 400 085.

(Attn: R K Sharma, Ph.: 022 25591811)

4. The testing shall be witnessed by our engineer. The tested components shall not be dispatched prior to approval by our engineer at bidder’s premises. Necessary inspection facilities shall be provided to our engineer during fabrication at bidder’s premises.
5. The bidder shall deliver the finished components after approval by our engineer within **3 Months** from the date of firm work order issued to the bidder. The finished components shall be delivered by the bidder at CnID, E&I Group BARC, Trombay, Mumbai - 400 085.
6. Head, CnID, E&I Group reserves the rights to accept / reject any or all quotations without assigning any reason.
7. Delivery charges if any must be clearly mentioned in the offer. Quotation must also indicate the validity of offer. Quotation must also indicate the GST no and PAN no of the party.
8. Drawings / Sketches must be returned along with the offer.
9. The quotation has to be signed by authorized person with company seal.
10. Payment will be made by cheque only after satisfactory completion of work on production of bill, delivery challan and advance stamped receipt. It may be noted that IT @ 2% and surcharge on tax at 15% shall be deducted from your bills.
11. Part supply is not acceptable.
12. Job should be guaranteed against material and manufacturing defects for 1year from the date of supply.

Encl.: Annexure - 1 (General Instructions)

(P.P Marathe)  
Head, CnID, E&I Group

### **General Instructions**

#### **Mandatory requirements**

1. Quotation should contain item wise price for all items of our enquiry.
2. Quotation to be submitted considering completion of the work within **3 Months** from the date of release of work order.
3. For installation & commissioning, I&C charges and service tax to be quoted separately.
4. All the film-foil material & other items shall be brand new from reputed manufacturers procured from their authorized agents.

#### **General requirements**

5. Bidder can suggest equivalent or better make and model number against each suggested material and same to be approved by the customer.
6. Total time to execute the job given above is from the date of work order placed which includes procurements of items, drawings making, fabrication, testing and supply. No Free Issue Material will be provided to the supplier. Materials, tools, manpower etc. required for the above work will not be supplied by the user. Supplier has to arrange the above on his own.
7. The supplier must incorporate minor changes in the design/process as required at the time of execution of work at no extra cost.
8. Supplier will submit General Assembly drawing and send to the customer for approval. After approval from the customer only fabrication will be started.
9. The Supplier shall workout a detailed design to meet fabrication requirements and work description, quantity. Supplier will submit the final drawings, fabrication procedure and testing in hard copy as part of supply.
10. Supplier shall submit the list of their clients, and catalogues or literature to support their quotation with the list of similar jobs carried out.
11. During work execution, the supplier shall follow standard practices & procedures for quality assurance.
12. Supplier should have similar work experience and along with the offer, shall submit the details of past experience with documentary proof.
13. Supplier shall appoint engineer with high integrity and he will be responsible for his workers during the fabrication work.
14. **Sub contract:** The supplier shall not sub-contract any or all the work without written consent from the indenter. The supplier shall be responsible to the indenter for all work, the sub-contractor of the supplier, if allowed by the indenter.
15. **Quality surveillance, Inspection:** The supplier will use standard quality items for fabrication of film-foil capacitors. Used or recycled Material will not be accepted.
16. **Acceptance Criterion:** Items meeting the Technical specifications only will be accepted. Any Item not meeting the Technical Specifications are liable for rejection.
17. For the items with detailed specification as given in Sr 1 to 4 of Annexure 1 shall be subject to surveillance/ inspection by the indenter or his authorized representative.
18. Without above detailed information offer will be considered incomplete and may be rejected.
