November 05, 2018

To,

Sub.: Invitation of quotations for "**Preparation of Lithium Carbonate  ${}^7\text{Li}_2\text{CO}_3$  (with isotopic purity: 98 atom %  ${}^7\text{Li}$  and chemical purity 99 % or better, CAS Number 71552-93-7), and its packing, sealing, and supply in a fabricated container**".

**Due Date: November 19, 2018**

Dear Sir,

1. Sealed quotations are hereby invited by Head, Solid State Physics Division, Bhabha Atomic Research Centre, Mumbai, for the following work, at Room No. 1-266-S, Modular Laboratories, Bhabha Atomic Research Centre, Mumbai – 400085.
2. Description: Preparation of Lithium Carbonate  ${}^7\text{Li}_2\text{CO}_3$  (with isotopic purity: 98 atom %  ${}^7\text{Li}$  and chemical purity 99 % or better, CAS Number 71552-93-7), and its packing, sealing, and supply in a fabricated.
3. Location of the work: **Room No.: 1 -266 S, Modular Laboratories, Bhabha Atomic Research Centre, Mumbai – 400085.**
4. The quotations must reach, Head, Solid State Physics Division on or before the due date referred above and must be sent **by Speed Post (India Post/ Bhartiya Dak)** in a sealed envelope superscripted with the above reference number and due date.
5. Address for sending the quotation by Speed Post:  
**Head, Solid State Physics Division  
Bhabha Atomic Research Centre  
Mumbai – 400085  
Attn: Anil Jain**
6. Bidder shall quote for the entire job as described under point No. 2 (Description).
7. After **Preparation of Lithium Carbonate and its supply in a sealed fabricated container**, testing of **Lithium Carbonate** should be carried out by contractor in the presence of our divisional representatives up to their satisfaction prior to issue of work completion certificate.
8. The time allowed for carrying out all the work will be (4) calendar weeks from the date of the firm purchase order issued to the bidder. The entire material shall be supplied by the bidder at 1-266 S, Mod Labs, BARC, Trombay, Mumbai – 400085
9. The quotations should be in figures as well as in words and should mention the rates and amounts. All corrections shall be attested with date and initials of the bidder.
10. ***Quotations not accompanied by PAN, GST numbers are liable to be rejected.***
11. Head, Solid State Physics Division, BARC, reserves the right to accept/reject any or all quotations, as also to issue the work order for part/ whole for the Preparation of Lithium Carbonate without assigning any reason.
12. All quotations in which any of the prescribed conditions are not fulfilled or incomplete in any respect are liable to be rejected.
13. GST, where legally leviable and intended to be claimed should be distinctly shown along with the price quoted. Where this is not done, no claim for GST will be admitted at any later stage and on any ground whatsoever. It will be obligatory on the part of the bidder to quote and sign the quotation documents.
14. Head, Solid State Physics Division shall have the right to make any alterations, deletions, additions or substitutions to the original specifications, designs and

- instructions that may appear to be necessary to him, during the progress of the work, without prejudice to the main scope and intent of the work. The contractor shall carry out such changes or instructions on the same conditions as agreed upon earlier. Such alterations, deletions, additions or substitutions shall not invalidate the contract.
15. Payment will be made by cheque only after satisfactory completion of work on production of bill, delivery challan and advance stamped receipt. It may be noted that Income Tax shall be deducted from the bills as per rule.
  16. The contractor shall engage and keep at Site, a Site Engineer/Engineers of sufficient experience of all types of work covered by this contract and he/they should have all necessary powers to engage labour and proceed with the work as required for the speedy execution of work. No residential or transport arrangement will be provided for Site engineer or other Staff engaged by the Contractor.
  17. The contractor shall employ in or about execution of the work only such persons as are careful, skilled and experienced in their respective trades. **BARC being a high security area, the employed persons would be required to have a Police Verification Certificate in order to get an entry permit to the Site of work. This procedure may take up to 2 months.**
  18. The contractor shall comply with all applicable provisions of the safety regulations, clean-up programme and other precautionary measures in effect at BARC. The contractor shall follow security procedures and safety precautions in Mod. Labs. BARC.
  19. The supplied **Lithium Carbonate  $^7\text{Li}_2\text{CO}_3$  (with isotopic purity: 98 atom %  $^7\text{Li}$  and chemical purity 99 % or better, CAS Number 71552-93-7)**, will be guaranteed against material and manufacturing defects for **12 months** from the date of commissioning successfully.

(Anil Jain)  
for and on behalf of  
Head, Solid State Physics Division
