**Sub: Invitation of Quotation for Fabrication and Supply of Molybdenum & Niobium Crucibles**

**Due Date: 31<sup>st</sup> December, 2021 (17:00 hrs)**

Dear Sir,

For & On behalf of the President of India, quotations are invited by the undersigned for following fabrication work.

| S.No | Description of work                                                                                                                                                                          | Qty    |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|
| 1.   | Fabrication and Supply of high purity (99.95% )molybdenum crucibles with 2 mm thick push fitting lid of following dimension.<br>ID-40 mm, OD-45 mm and height -100 mm, Base thickness-2.5 mm | 10 nos |
| 2    | Fabrication and Supply of high purity (99.95%) niobium crucibles with 2 mm thick push fitting lid of following dimension.<br>ID-40 mm, OD-42mm and height -100 mm, Base thickness-1 mm       | 10 nos |

The quotation should be sent in a sealed envelope. The envelope shall *clearly be superscribed* with the reference no., due date and with the words “**Quotation: not to be opened**”. It should be addressed to following person and should reach him/her on or before the date mentioned by **SPEED POST** only.

|                                                                                                  |                                        |
