18. The purchaser reserves the right to accept /reject any or all the quotations received without assigning any reason whatsoever.
19. Specifications /sketches given to the bidder must be returned along with quotation.

General Notes:

- 1) The work shall be subject to inspection by the purchaser or his authorised representative. Work shall be conducted under their supervision and to the full extent of satisfaction.
- 2) Payment will be made as per rules, after the completion of the work to purchaser's satisfaction against submission of original bill in triplicate and advance stamped receipt.
- 3) Income tax @2% and Educational cess as applicable will be deducted from the bill.
- 4) Head, RED reserves the right to accept/reject any or all the quotations received without assigning any reason whatsoever.
- 5) Bidder shall furnish detailed information regarding whether an ex-employee of BARC is working in their organisation or whether any of their relative is working in DAE/BARC or whether he/she is an ex-employee of DAE/BARC. In case of absence of such information, or wrong information the quotation or contract is likely to be rejected or cancelled.

CONFIDENTIALITY CLAUSES:

I. Confidentiality:

No party shall disclose any information to any third party concerning the matters under this contract generally. In particular, any information identified as "Proprietary" in nature by the disclosing party shall be kept strictly confidential by the receiving party and shall not be disclosed to any third party without the prior written consent of the original disclosing party.

This clause shall apply to the sub-bidders, consultants, advisers or the employees engaged by the party with equal force.

II. "Restricted information" categories under Section 18 of the Atomic Energy Act, 1962 and "Official Secrets" under Section 5 of the Official Secrets Act, 1923:-

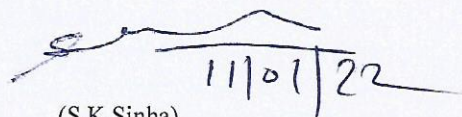

Any contravention of the above-mentioned provisions by any bidder, sub-bidder, consultant, adviser or the employees of a bidder will invite penal consequences under the aforesaid legislation.

III. Prohibition against use of BARC's name without permission for publicity purposes:-

The contractor or sub-contractor, consultant, adviser or the employees engaged by the bidder shall not use BARC's name for any publicity purpose through any public media like Press, Radio, T.V. or Internet without the prior written approval of BARC.

Thanking you,

Yours Sincerely,

(S.K.Sinha)

Head, VLS, RED

For and on behalf of the President of India
(The Purchaser)

Enclosure: 1) Specification No: DO/211103

Specification No: DO/211103

Scope: Dismantling of existing partition and fabrication, erection of closed and semi covered partition for providing enclosure to work stations of drawing office activities and vibration lab at Hall7, BARC.

Technical Specification:

1.0 Details of closed and semi closed partition:

- 1.1 The closed and semi closed partition is to be fabricated by composite sheets of aluminium-elastomer fitted in rectangular grid formed by aluminium box section. The total area of partition and enclosure shall be approximately 900 sq. feet.
- 1.2 Dimensional details of the enclosure are given in the attached sketches as described in table-1 given below.

Table-1 Details of Sketches

Sr. No.	Description	Sketch No
1.	Closed and Semi Closed Partition	DO/01
		DO/02
		DO/03
		DO/04
		DO/05

3.0 Dismantling the existing structure:

The existing wooden partition structure is at Drawing office and vibration Lab area. The partition wall was fabricated by wooden and glass sheets. Total area of wooden partition is 663Sqfeet. All the structure should be safely dismantled, shifted to given location by the purchaser at around Hall-7.

4.0 Procurement of raw material:

Supplier shall procure all required raw material as per the dimensions indicated in sketches.

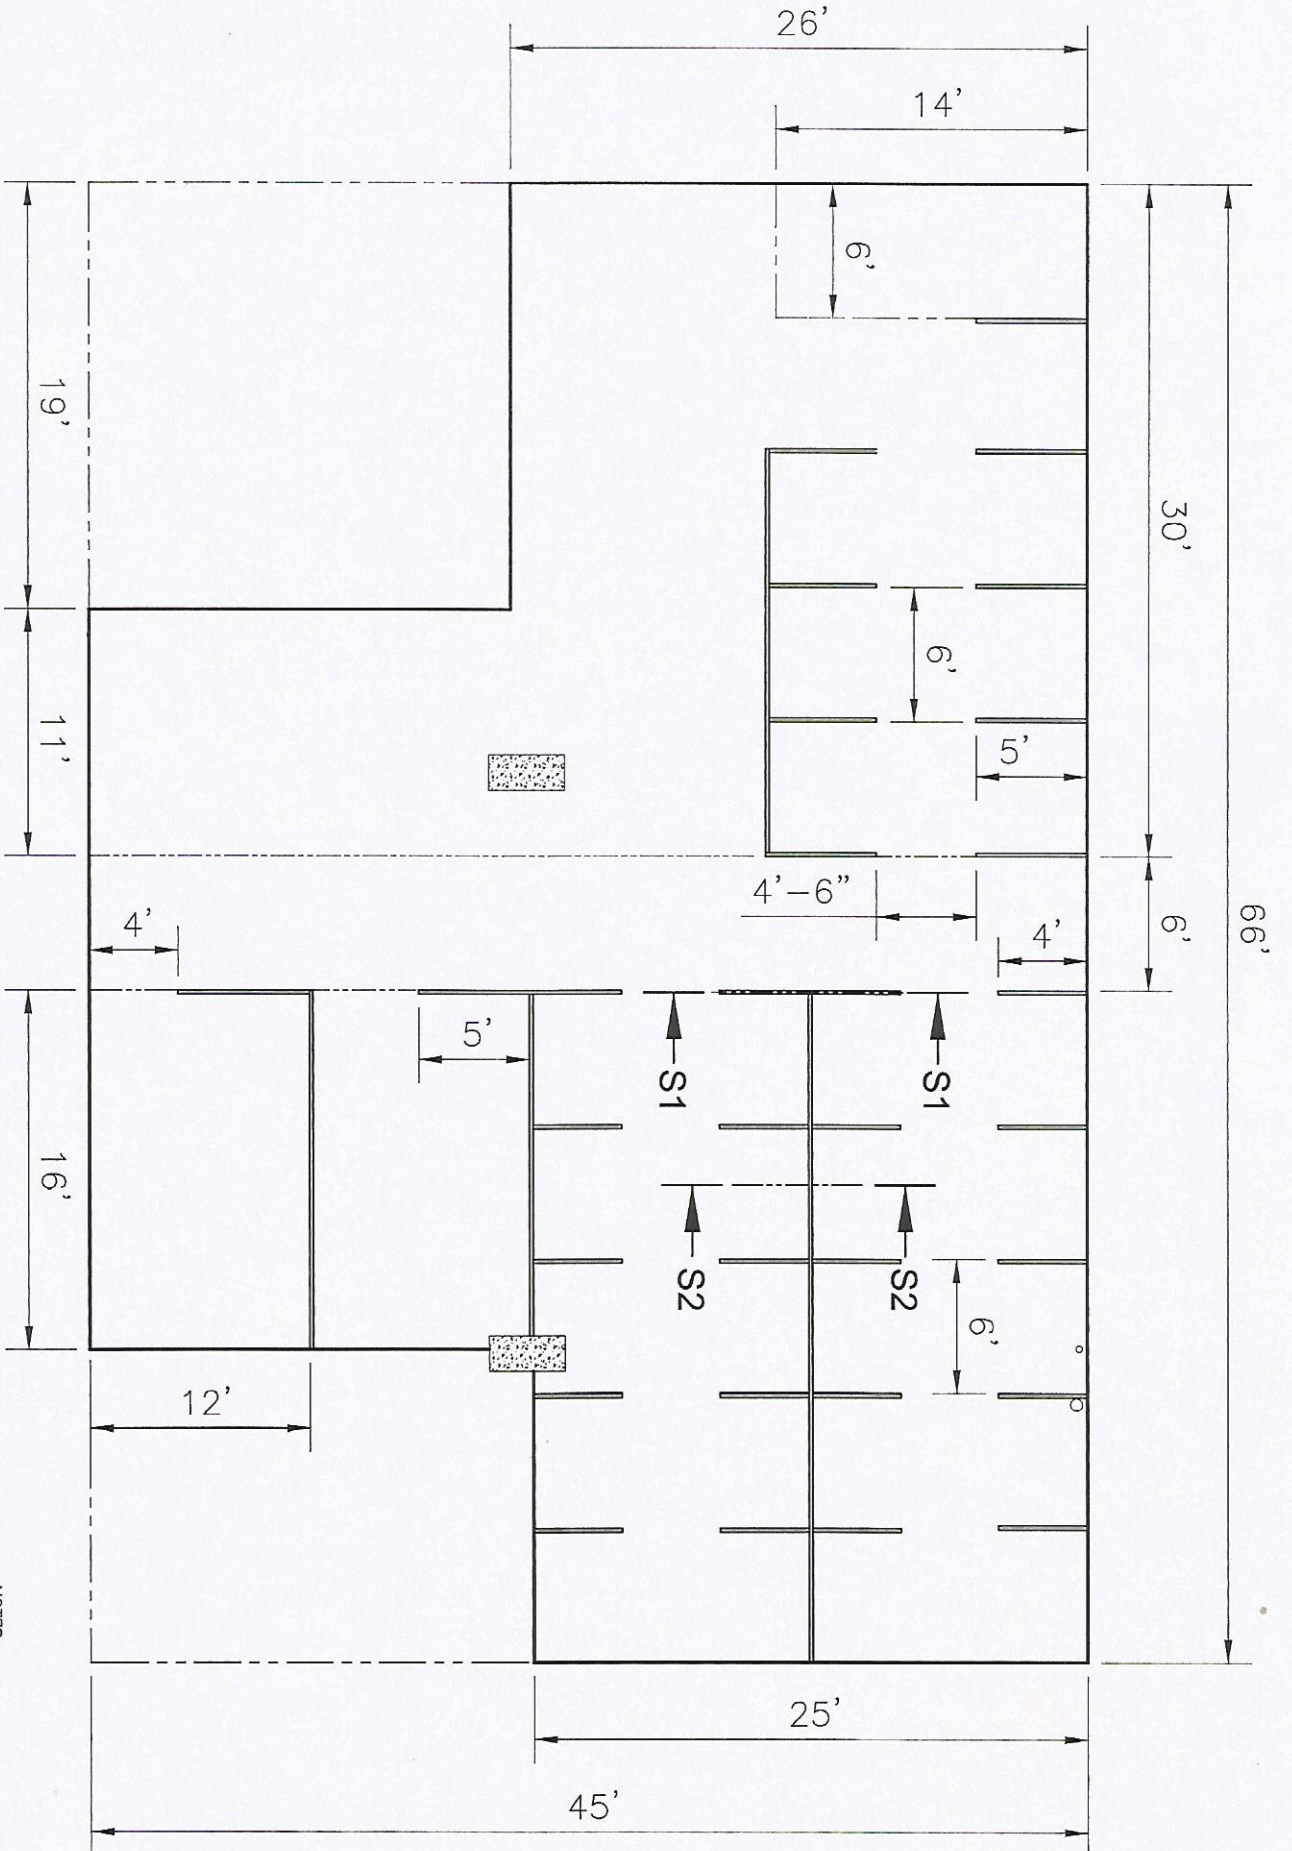

4.1 Aluminium Composite Sheets:

Aluminium composite sheets (4mm thickness) shall be used to form wall except for places where glass windows are provided. These sheets shall have low density polyethylene core (LDPE) sheet sandwiched between two aluminium foils. The dimensional specification of these sheets is given below.

Thickness Details	
Front and Back side aluminium foil thickness	LDPE Core Thickness
0.5MM	3MM

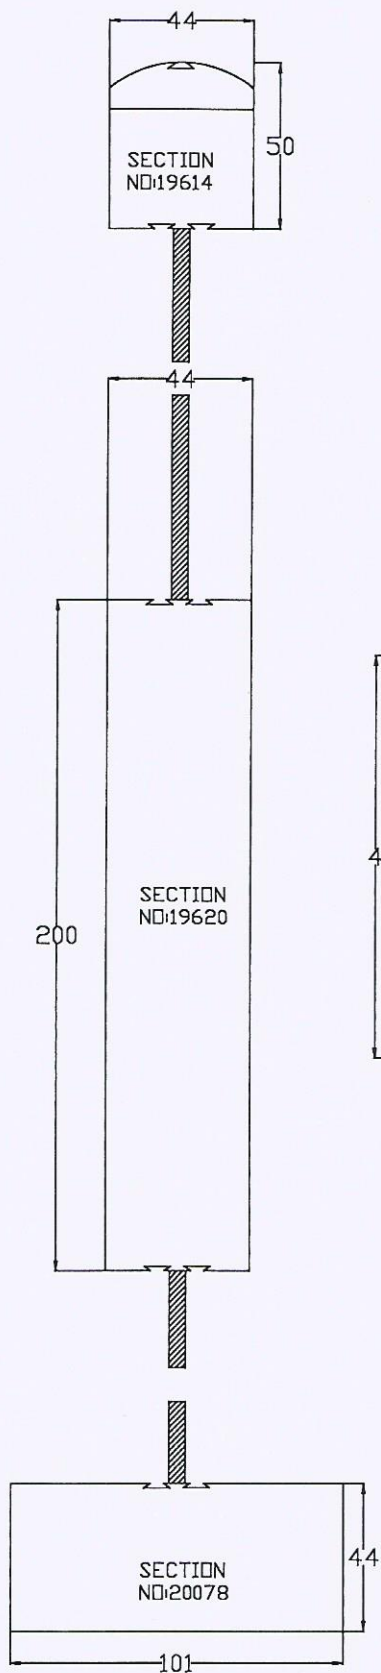

The enclosure wall of desired size shall be cut from these sheets.

- 4.2 Aluminium Box Section: Anodised aluminium box of section No: 19620 (size:200mmX44.45mmX3mm), section no:20067(size:101.6mmX44.45mmX3mm) and section no:19518 (size:53.7X44.45X2.3mm) should be supporting to aluminium composite sheets. The JINDAL make or equivalent aluminium box section should be used.
- 4.3 Aluminium Glazings: Anodised aluminium glazings of suitable size shall be fitted with aluminium box section to support aluminium composite sheets. The JINDAL make or equivalent aluminium glazings (section No: 19377) should be used.
- 4.4 Door: The DOOR-1 panels are two and opening shall be hinged type and opening both sides each other. The DOOR-2 and DOOR-3 are also hinged type and details are given in sketch no DO/. The frame of door and its accessories shall be made of aluminium section No: 19554 and 19555 of JINDAL make or equivalent. The aluminium composite sheets and glass shall be used for fabricating doors. All doors shall be provided with door closing mechanism.
- 4.5 Flooring: The fire-retardant PVC flooring of 2MM thickness shall be provided on the floor surface with suitable adhesive. Flooring area approximately 2310 Sq.feet.
- 4.6 Glass: Toughened glass shall be use for all transparent area of enclosure. The glass shall be minimum 6mm thickness and make MODI or equivalent.
- 4.7 Locks: All doors should be provided with latch type lock and set of keys. The Godrej make or equivalent locks should be provided.
