URANIUM EXTRACTION DIVISION (P&ESS)

Ref: - UED/PL. 13/22/44140

May 11, 2022

Tender No. – BARC/UED/VS/22015

Due Date – 30/05/2022

Sub: Following work to be carried out at UED.

1. Mechanical work.
2. Decontamination work.
3. Material movement work.
4. Segregation & storing work
5. House-keeping work

Dear Sir,

Quotations are invited on behalf of President of India in sealed envelopes to carry out above mentioned work in UED as per following details.

Scope of works

- **Mechanical work**

Deputed person should have experience in mechanical work like welding, drilling, grinding, gas cutting, fitting and material identification.

The deputed person also should have knowledge of fabrication of SS piping and MS structural work.

Scrap cutting and storing of radioactive and non-radioactive material. Scrap includes metal & non-metal (SS/MS items, valves, pipes, pipe fittings, process equipments, structural items, plastic and glass etc.).

- **Decontamination**

Decontamination of mechanical equipment and working areas using Sodium Carbonate solution (Na_2CO_3) and cotton waste. Subsequently, to be cleaned/washed using fresh water. Available equipments are lathe, milling, pumps & its accessories, vacuum pump, compressor, drill machine, welding machine, grinding machines and tools etc.

Used cleaning solution/material to be stored separately as radioactive waste as per the instruction of departmental supervisor.

Decontamination of associated area in similar way as mentioned above.

- **Material movement**

Deputed person should have experience to operate material handling equipment. (Hand trolley, drum trolley and pallet truck etc.)

Material movement/shifting of radioactive and non-radioactive material inside or outside the building from one place to another place using material handling equipment.

Loading, unloading and organized of the material.

- **Segregation & storing**

Segregation & storing of material as per our requirement, such as; radioactive & non-radioactive material, metal & non-metal items, combustible & non-combustible items, glass, rubber, wooden and plastic etc.

- **House-keeping**

Daily house-keeping and cleaning of associated working area and plant area as

instructed by departmental supervisor. Along with material inventory of new material.

Quantity

To carry out these works on regular basis, requirement of skilled, semi-skilled and unskilled manpower (based on labor charges). Quantity is approximate in nature.

Sr. No.	Description	Quantity
1.	Mechanical work	
A.	Fabrication	2,000 Kg
B.	Scrap cutting and storing	2,000 Kg
2.	Decontamination	
A.	Decontamination of machinery and equipments	60 Nos.
B.	Decontamination of associated area	10,000 Square Meter
3.	Material movement	15,000 Kg
4.	Segregation & storing	5,000 Kg
5.	House-keeping of associated area	25,000 Square Meter

Important note:

- Party must submit the duly filled Annexure – A on company letter head along with your offer without fail. Without Annexure – A, offer will be considered as invalid quotation and will not be considered.
- Party should depute minimum 01 technical skilled person (Passed ITI in mechanical), 01 semi-skilled person and 02 supporting staff (Unskilled) on regular basis for above mention work.

- Any change in man power requirement will be communicated one day before to party for better man-power planning.
- Persons deputed for this job will undergo two days (Maximum) onsite training/orientation program. Training/orientation period will not be considered for payment.
- Vendor/Contractor and his work force should have past working experience and have a previous experience of similar jobs in chemical & radioactive plant in BARC premises. They have to provide the copy of work order along with their offer.
- Vendor/Contractor should be aware about the BARC security procedures and have pre-cleared Security Vetting and have valid PVC of deployed manpower as well as their company as per BARC Security rules.
- Persons deputed for this contract should not be replaced frequently and as far as possible should not be changed/replaced.
- Arranging all necessary PPE and safety of the workers during this job is the sole responsibility of the vendor.
