## Specifications for Scrapping of SS Shield plugs & Aluminium Rods.

### Scope of work:

1. Fabrication of MS Crates for packing SS Shield Plugs and Aluminium rods.
2. Cutting & packing of SS Shield plugs-600 Nos. (15 Kg each).
3. Cutting & packing of Aluminium rods -4 Tons.

### Description

1. SS Shield plugs (600Nos) and Aluminium rods are lying inside and outside Atomic Fuels Division have to be cut into 2 or 3 pieces. The party has to fabricate painted MS Crates, decontaminate the items if required & pack them inside the crates. The Crate should be designed in such a way that it should be sufficient enough for sustaining a load of 1200 kg. The Crate should have provision for lifting by EOT crane. Each Crate should contain a maximum of 1000 Kg of material. The material required for fabrication of Crate has to be supplied by the party.
2. Cutting of Aluminium rods ( $\varnothing$  60X4000) into 600 mm each & packing it in Crates.Qty-70 nos.~2400 kg.
3. They have to fabricate the crates at their own cost.
4. Size of the Crates should not exceed 1000X500X700(LXBXH).
5. SS shield plugs are of  $\varnothing$  90mm & length 500 mm to 650 mm.
6. Aluminium rods are  $\varnothing$  40mm & length 2500 mm. Qty- 200 nos.
7. The party has to provide manpower for disposing the materials at scrapyard.
8. Since the jobs are radioactive in nature, utmost care shall be taken while handling it, **&the persons have to give fitness certificate from registered MBBS Doctors at the time of working in this environment. The party has to arrange the certificate.**
9. Safety equipment like respirator, hand gloves will be provided by us, if required.
10. The working persons of contractor should wear safety shoe while working & they have to arrange the same.
11. Party should visit our workshop on 11/05/2017 or 12/05/2017 before quoting for better understanding of the job. They should have to intimate at least 2 working days prior to their visit so that we will arrange for the entry permit certificate.
12. Parties having PVC will only be allowed to enter BARC premises hence they have to arrange for the same.
13. **Offers of the parties, who have not visited our workshop, will not be considered.**

**\*All the dimensions/weights/numbers specified in the technical specification are indicative hence the parties are requested to visit the site at AFD, for onsite measurement & detailing before submitting the quotation.**

### General Terms and Conditions:

- a. **Incomplete or vague quotations shall be rejected** and no further communication shall be made from our side in this regard.
- b. Supplier shall give acceptance of order before starting the work and within one week of issue of work order to them.
- c. Any delay in supplying the unit, which is attributable to the contractor, is liable for penalty @1/2 % per week (max 5 %) to be imposed on the

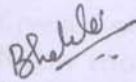

10/97 Central excise dated 01/03/1997 issued by the Ministry of Finance, Department of Revenue of Government of India for final product manufactured and delivered by vendor. However, Excise duty exemption certificate will not be issued for raw material/components or any other intermediary material going into manufacture of end product.

h. Payment will be arranged after satisfactory completion of work at BARC and on production of, a) Bills in triplicate, b) Advanced stamped receipt, c) Warranty/ Guarantee Certificate. Advance, Part Payment or against delivery cannot be made. Proposed payment terms from the firms cannot be accepted.

1. **Confidentiality clause :-**

No party shall disclose any information to any third party concerning the matters under this contract generally. In particular, any information identified as "Proprietary" in nature by the disclosing party shall be kept strictly confidential by the receiving party and shall not be disclosed to any third party without the prior written consent of the original disclosing party. This clause shall apply to the sub-contractors, consultants, advisers or the employees engaged by a party with equal force.

- I. "Restricted information" categories under Section 18 of the Atomic Energy Act 1962 and "Official Secrets" under Section 5 of the Official Secrets Act 1923. :-
- II. Any contravention of the above-mentioned provisions by any contractor, sub-contractor, consultant adviser or the employees of a contractor will invite penal consequences under the aforesaid legislation
- III. Prohibition against use of BARC's name without permission for publicity purposes. :-
- IV. The contractor of sub-contractor, consultant, adviser or the employees engaged by the contractor shall not use BARC's name for any publicity purpose through any public media like Press, T.V. or Internet without the prior written approval of BARC.
