Regional Director
Bhabha Atomic Research Centre Facilities (Vizag.), Visakhapatnam.
(For and on behalf of the President of India)
GENERAL TERMS & CONDITIONS

1.0 Quality surveillance, inspection and inspection report:

1.1 All work covered by the specifications shall be subject to quality surveillance by the purchaser or his authorised representatives for which purpose the fabricator shall allow access at all reasonable times during manufacture to:

1.1.1 The premises in which work is being carried out.

1.1.2 The drawings and/or tooling involved.

1.1.3 Gauges, instruments etc., required for inspecting the work.

1.2 Inspection and tests shall be carried out by the fabricator as per the requirements detailed in the scope of work.

1.3 The fabricator shall submit three copies of inspection reports to the purchaser for approval.

1.4 Components found unsatisfactory as to workmanship or material shall be removed by fabricator and replaced by components which are satisfactory. The finished components shall not be despatched prior to approval by our engineer.

2.0 Raw Material: Raw material for all the components and hardware will be provided by supplier.

3.0 Delivery and completion of work: 02 (Two) months from the date of issue of work order. The material shall be delivered at BARCF(V)'s premises at Atchutapuram, Visakhapatnam. Transport charges should be included in the rate quoted either inclusive or separately.

3.1 In case any extension in delivery is to be granted to the contractor, party's request for extension may be called for and the same may be justified by the division head.

4. Sub Contract:

4.1 The fabricator shall not sub-contract any or all the work without written consent from the purchaser. The fabricator shall be responsible to the purchaser for all work of the sub contractor of the fabricator, if at all allowed by the purchaser.

5. Taxes:

5.1 Taxes are included in the quotation GST shall be paid against undertaking from the supplier (Annexure-II).

6.0 Payment: Payment will be made only on satisfactory completion of work and on production of bill/invoice with pace of supply, separate tax components, GST & PAN No. advanced stamp receipt, warranty/guarantee certificate, GST certificate if applicable and RCIV from stores. Option for payment through ECS can be exercised by filling up Electronic Format form attached with this work order.

6.1 It may be noted that Income tax at 2% will be deducted from the bill.

6.2 As per Government Order GST TDS@ 2% shall be deducted at source on payments made to the supplier of taxable goods and/or services, where the total value of such supply, under an individual contract, exceeds two lakhs fifty thousand rupees.
6.3 The Fabricator shall issue a warranty certificate on the finished products valid for 12 months from the date of acceptance of the product after it is delivered to the Indentor at BARCF(V) premises. BARCF(V) is NOT responsible for any damage to the material during transport from Fabricator’s premises to BARCF(V)’s premises.

6.4 Security deposit @ 5% of the Bill shall be deducted to enforce the warranty. Any defects arising due to poor workmanship during the warranty period shall be rectified free of cost by the Fabricator. In case the Fabricator fails to rectify the faults after receiving written complain from the Indentor the security deposit of 5% shall be forfeited by BARCF(V).

6.5 The security deposit of 5% shall be released after completion of warranty period and certificate from Indentor conforming adherence to warranty clause by the fabricator.

6.6 No variation of rate is allowed after issue of Work Order under any circumstances.

7.0 Confidentiality:

7.1 No party shall disclose any information to third party concerning the matters under this contract generally. In particular, any information identified as "PROPRIETARY" in nature by the disclosing party shall be kept strictly confidential by the receiving party and shall not be disclosed to any third party without the prior written consent of the original disclosing party.

7.2 "RESTRICTED INFORMATION" categories under section 18 of the Atomic Energy Act, 1962 and "OFFICIAL SECRETS" under section 5 of the official Secrets Act, 192. Any contravention of the above mentioned provisions by any contractor, sub-contractor, consultant, advisor or the employees of a contractor will invite penal consequences under the aforesaid legislation.

7.3 Prohibition against the use of BARC's name without permission for publicity purposes. The contractor or sub-contractor, consultant, advisor or the employees engaged by the contractor shall not use BARC's name for Publicity purpose through any public media like press, radio, T.V. or internet without the prior written approval of BARC. (vide circular ref: 2/Misc-9/LgV2001/92 dated April 30, 2001).
