Office Memorandum/ कार्यालय जापन

**Subject: Preventive Measures to contain the spread of COVID-19 -
Regarding.**

The undersigned is directed to forward copies of Ministry of Home Affairs (MHA) Order No.40-3/2020-DM-I(A) dated 29.06.2021 and Order No. 40-3/2020-DM-1(A) dated 28.07.2021 on the captioned subject for information and compliance by DAE and its Constituent Units/PSUs/Aided Institutions.

2. The undersigned is also directed to forward copy of Government of Maharashtra (GoM) Order No. Corona 2021/C.R.366/Arogya-5 dated 02.08.2021 and copy of Brihanmumbai Municipal Corporation (BMC) order No. MGC/F/4967 dated 02.08.2021 on the captioned subject. In this connection, it has been decided to regulate the office attendance for all level of officers at 100% capacity in the Constituent Units/PSUs/Aided Institutions located in the State of Maharashtra with immediate effect as per the said order.

3. The officers/staff shall follow staggered timings, to avoid over-crowding in offices. Indicative timings are given below :-

(a) 9.00 A.M. to 5.30 P.M.

(b) 9.30 A.M. to 6.00 P.M.

(c) 10.00 A.M. to 6.30 P.M.

4. The Constituent Units/PSUs/Aided Institutions located outside the State of Maharashtra may regulate the attendance in respect of their employees as per the orders issued by the respective State Governments/Union Territories/Local Authorities on the subject from time to time depending upon the prevailing COVID-19 case positivity rate.

5. This issues with the approval of Competent Authority.

ORDER

Whereas, an Order of even number dated 29th April 2021, was issued to ensure compliance to the containment measures for COVID-19, as conveyed vide Ministry of Health & Family Welfare (MoHFW) DO No. Z.28015/85/2021-DM Cell dated 25th April 2021, which was further extended for a period upto 30.06.2021 vide an Order of even number dated 27.05.2021;

And whereas, considering the need for containment of COVID-19 cases across the country, MoHFW vide DO No. Z.28015/85/2021-DM Cell dated 28th June 2021, has issued an advisory to all States and Union Territories (UTs), for implementing targeted and prompt actions for bringing the pandemic under control;

Whereas, in exercise of the powers under section 6(2)(i) of the Disaster Management Act, 2005, National Disaster Management Authority (NDMA) has directed the undersigned to issue an order, for containment of COVID-19 in the country;

Now therefore, in exercise of the powers, conferred under Section 10(2)(1) of the Disaster Management Act 2005, the undersigned, hereby directs the State/ Union Territory Governments and State/ Union Territory Authorities to consider implementation of targeted and prompt actions for COVID-19 management, as conveyed vide aforesaid MoHFW advisory dated 28.06.2021, as per **Annexure-I**, until 31.07.2021. States/ UTs, will take the necessary measures, under the relevant provisions of the Disaster Management Act 2005. It is further directed that:

- (i) The National Directives for COVID-19 Management, as specified in **Annexure II**, shall continue to be strictly followed throughout the country.
- (ii) All the District Magistrates shall strictly enforce the above measures. For the enforcement of social distancing, State/ UT Governments may, as far as possible, use the provisions of Section 144 of the Criminal Procedure Code (CrPC) of 1973.
- (iii) Any person violating these measures will be liable to be proceeded against as per the provisions of Section 51 to 60 of the Disaster Management Act, 2005, besides legal action under Section 188 of the IPC, and other legal provisions as applicable.

ANNEXURE-1

भारत सरकार
स्वास्थ्य एवं परिवार कल्याण विभाग
स्वास्थ्य एवं परिवार कल्याण मंत्रालय
Government of India
Department of Health and Family Welfare
Ministry of Health and Family Welfare
D.O No. Z.28015/85/2021-DM Cell
28th June 2021

This is in reference to my earlier DO letter of even number dated 25th April, 2021 wherein Ministry of Health and Family Welfare had shared with all States/UTs an implementation framework for intensive action and local containment in specific and well defined geographic units, to break and suppress the chain of transmission of SARS COV-2. This was also later reiterated by the Ministry of Home Affairs and orders regarding the same were issued under the DM Act 205 vide letter no. 40-3/2020-DM-I(A) dated 29th April 2021.

2. With a rise in COVID 19 trajectory across the country in April and May 2021, many States and UTs have undertaken restrictions and containment measures as per the aforesaid implementation framework. As a result, the trajectory of COVID 19 pandemic in the country is presently showing a steady decline.

3. In view of the declining number of cases being reported many States have initiated the implementation of relaxation measures. In this context it is critical that the lifting of restrictions/providing relaxations be carefully calibrated with continued focus on containment efforts to curb the spread of infection.

4. In order to bring uniformity in implementing graded restriction/relaxation measures for COVID 19, the need for following the framework earlier shared with the States for either imposition of restrictions or allowing relaxations based on the burden of disease and strain on healthcare infrastructure still remain important. Prompt and targeted actions need to be implemented by the States as detailed below:

A. Guiding Principles

- Monitoring of cases with districts as administrative units be done on a regular basis. Necessary action for containment and health infrastructure upgradation be done, by further micro analysis based on clusters of cases at the district level
- Case positivity calculated based on total positive cases vis-a-vis samples tested during the week is one of the prime indicators of the spread of infection in a district. Higher case positivity would imply the need for stringent containment and restrictions so as to control the spread of infection
- Similarly, each district needs to analyze bed occupancy oxygen and ICU beds) vis-a-vis the available health infrastructure to ensure that it doesn't get overwhelmed and seamless patient admission and follow up can be done. Higher bed occupancy is an indicator that the district needs to undertake specific measures to upgrade the available beds while focusing on containment activities equally vigorously. It is important to emphasize that a lead time is required to upgrade health infrastructure (a month or more) and hence districts need to plan such upgrades after having duly analyzed the case trajectory on a regular basis

(110)

- In view of the above, for prioritizing districts which need intensive follow up, States may continue to utilize the classification of risk profile of districts as already communicated by Ministry of Health and Family Welfare on 25th April 2021. Accordingly:
 - i) States/UTs may identify districts which require highest level of restrictions
 - ii) Remaining districts may be allowed higher degree of relaxations based on lower weekly case positivity or a relatively low Bed occupancy (Oxygen and ICU beds) rates.
 - iii) District with high weekly case positivity or a high Bed occupancy (Oxygen and ICU beds) as detailed above, would need intensive monitoring and hence State may consider appointing a senior officer from State headquarter as the Nodal Officer for these districts.
 - iv) District Nodal Officer will work in coordination with District Collector /Municipal Commissioner to identify cluster of new cases and ensure implementation of required containment activities including intensive action in areas reporting higher cases
 - v) Restrictions once imposed will remain in force for a minimum period of 14 days
 - vi) In remaining areas of the district not under containment action, clearly defined relaxations/restrictions may be provided.

B. Monitoring mechanism

- o State government may consider monitoring the status of classification parameters on a weekly basis and ensure their wide publicity so as to inform community at large and obtain their support in management of Covid-19 while restrictions are imposed or relaxations are allowed.
- o While positivity rates and bed occupancy rates are vital criteria that need to be monitored for selection of high focus districts requiring intensive public health action, States/UTs shall also regularly monitor districts with higher numbers of active cases per million population as it is an important indicator to predict need for upgrading health infrastructure and logistics so as to manage the cases.

C. Continued focus on 5-fold strategy for effective management of COVID-19

- o COVID-19 is an ongoing challenge and hence it is important that States continue working on five pillars of COVID-19 Management i.e. "Test-Track-Treat-Vaccinate and adherence to COVID Appropriate Behavior".
- o Early identification of cases is important for curbing the spread, and for this adequate testing is crucial. RT-PCR machines and sufficient kits to ensure required level of testing should accordingly be maintained (both RT-PCR and RAT) in all districts.

(18ⁿ)
: 3 :

- o **Tracking and tracing** through active case search by special teams and contact tracing and screening should be undertaken proactively.
- o In addition to following **Clinical Management Protocol**, States should focus on **upgradation of health infrastructure, timely commissioning of PSA Plants in hospitals, adequate planning for availability of medical oxygen, availability of logistics, maintaining buffer stock of drugs** and taking up necessary action for **creation /redesigning of appropriate COVID dedicated healthcare infrastructure**, especially in peri-urban, rural, and tribal areas.
- o There is need for **upskilling/reskilling of human resources** on latest Clinical Management Protocol.
- o Furthermore, **effective planning for vaccination focusing on prompt coverage of priority groups and hubs of economic activity should be prioritized.**
- o COVID-19 management can succeed only through a whole of government & whole of society approach. Community engagement is critical & **adherence to Covid appropriate behavior** is crucial to guard against any surge in infection. This involves diligent use of masks/face covers, following physical distancing (2 gaj ki doori) and practicing respiratory & hand hygiene.

5. This normative advisory will aid the States/UTs to clearly define their policies and streamline their approaches for implementing graded restrictions/calibrated relaxation for management of Covid-19.

6. States/UTs can also plan additional public health measures as deemed necessary, based on their local context and situational analysis at the field level.

7. I am sure under your able leadership; we will be able to keep the momentum going and build on the progress made so far to bring the pandemic situation under control. Ministry of Health & Family Welfare will continue to provide requisite support to the States/UTs in this ongoing and collective effort

Yours sincerely

(Rajesh Bhushan)

Annexure II

NATIONAL DIRECTIVES FOR COVID-19 MANAGEMENT

1. **Face coverings:** Wearing of face cover is compulsory in public places; in workplaces; and during transport.
2. **Social distancing:** Individuals must maintain a minimum distance of 6 feet (*2 gaz ki doori*) in public places.

Shops will ensure physical distancing among customers.

3. **Spitting in public places** will be punishable with fine, as may be prescribed by the State/ UT local authority in accordance with its laws, rules or regulations.

Additional directives for Work Places

4. **Work from home (WFH):** As far as possible the practice of WFH should be followed.
 5. **Staggering of work/ business hours** will be followed in offices, work places, shops, markets and industrial & commercial establishments.
 6. **Screening & hygiene:** Provision for thermal scanning, hand wash or sanitizer will be made at all entry points and of hand wash or sanitizer at exit points and common areas.
 7. **Frequent sanitization** of entire workplace, common facilities and all points which come into human contact e.g. door handles etc., will be ensured, including between shifts.
 8. **Social distancing:** All persons in charge of work places will ensure adequate distance between workers and other staff.

- 3) Revenue and Forest, Disaster Management, Relief and Rehabilitation Department Order No. DMU 2020/ CR 92/Dis 1 dated 4th June, 2021 and 17th June, 2021 and 25th June, 2021.

ORDER

Break the Chain - Modified Guidelines

Whereas, in exercise of the powers, conferred under the Disaster Management Act 2005, the undersigned, in his capacity as Chairperson, State Executive Committee had issued the above mentioned Orders for containment of COVID 19 in the State

Whereas the State Government is satisfied that the State of Maharashtra is continued to be threatened with the spread of COVID-19 virus, and therefore it is imperative to continue emergency measures to prevent and contain the spread of virus, the Government in exercise of the powers conferred under Section 2 of the Epidemic Diseases Act, 1897, read with all other enabling provisions of The Disaster Management Act, 2005, finds, it is necessary to continue the enforcement of the current restrictions, along with certain additional restrictions, throughout the State to break the chain of transmission effectively.

Now, therefore, in exercise of the powers conferred under Section 2 of the Epidemic Diseases Act, 1897 and the powers, conferred under The Disaster Management Act, 2005, the undersigned, in his capacity as Chairperson, State Executive Committee, hereby imposes the following restrictions.

The restrictions that have been imposed through Break the Chain Orders dated 4th June, 2021 and 17th June, 2021 for level 3 be continued for the following districts --

1. Kolhapur
2. Sangli
3. Satara

4. Pune
5. Ratnagiri
6. Sindhudurg
7. Solapur
8. Ahmednagar
9. Beed
10. Raigad
11. Palghar

Amongst the above districts, considering the higher number of positive cases, higher emergence of fresh cases in the districts of Sindhudurg, Satara and Ahmednagar, the respective disaster management authorities to impose effective restrictions in the said districts.

The decision regarding reducing the currently imposed restrictions in Mumbai, Mumbai Suburban and Thane districts to be taken by the Disaster Management Authorities of the said districts.

Apart from the above 14 districts, in all the other districts, the existing restrictions to the extent mentioned below are modified -

- 1) All essential and non-essential shops (including shopping malls) to remain open on all weekdays till 8 PM and till 3 PM on Saturday. All shops and malls except essential shops to remain closed on Sundays.
- 2) All Public Gardens and playgrounds can be kept open for the purpose of exercise, walking, jogging and cycling.
- 3) All Government and Private Offices can be operational with full capacity. Staggering of work hours to be done to avoid crowds while travelling.
- 4) The offices that can function through working from home should continue to do so.
- 5) All agricultural activity, Civil Works, Industrial activity, transport of goods can remain functional at full capacity.
- 6) Gymnasiums, Yoga Centers, Hair Cutting salons, beauty parlors, Spa's can remain open without use of air-conditioners and with 50% capacity till 8 PM on weekdays and till 3 PM on Saturdays. The said services will remain closed on Sundays.
- 7) All cinema theaters, drama theaters and multiplexes (independent and inside malls) to remain closed till further orders.
- 8) All places of worship in the State to remain closed till further orders.
- 9) The orders of the State Education department and the Higher and Technical Department will be applicable for schools and colleges.

- (22)
- 10) All restaurants will remain open with 50% seating capacity till 4 PM on weekdays subject to adherence to all COVID 19 protocols. Parcel and Takeaway to be allowed as is allowed currently.
 - 11) Restrictions on movement will be applicable from 9 PM to 5 AM.
 - 12) In order to avoid crowding, restrictions imposed on birthday celebration, Political, Social and Cultural events, elections, election campaigning, rallies, protest marches to be continued.
 - 13) All COVID 19 protocols - use of masks, social distancing etc. to be scrupulously followed across the State by all the citizens. Failure in stringent adherence to the same will result in action on the defaulters under relevant sections of the Disaster Management Act, 2005, the Epidemic Act and Section 186D of the Indian Penal Code.

All other points not specifically mentioned in this order, will be in force in accordance with earlier order.

BY ORDER AND IN THE NAME OF THE GOVERNOR OF MAHARASHTRA

02/08/21
(SITARAM KUNTE)
CHIEF SECRETARY
GOVERNMENT OF MAHARASHTRA
