Government of India Bhabha Atomic Research Centre Desalination & Membrane Technology Division REQUISITION FOR HIGH QUALITY WATER

Ref No:-	Date:-
Quality of Water Required :- De-ionized / DM / Distilled/Ultra Pure	
Required conductivity of water (in μS/cm)/Resistivity (MΩ.cm):-	
Silica (in ppb) / any other requirement:-	
Quantity of water required (in liters)*:-	
Application:-	
Reason for using high purity water in brief:-	
Contact detail of the concerned person:-	
Name: - Designation :- Telephone No:- Email :- Division/ Section:-	
Signature of Concerned Person:-	
Forwarded	
Signature of H	lead of the Division with stamp

Please make own arrangements to collect the water from Desalination & Membrane Technology Division (DMTD) in clean containers after receiving confirmation from DMTD about the availability of water. Please send the request well in advance.

To, Head Desalination & Membrane Technology Division B.A.R.C. Trombay, Mumbai-400085 (Tel. No. 25594625/19)
