

Stepper Motor Control System for Neutron Focusing Devices

Layout Plan

Charge Division Principle Based Position Encoding

Internal Block Diagram of RDC Data Logger Board

Position Sensitive Detector Data Acquisition System High Speed USB Data Logger

DC Motor Control System for motorized scanning type Neutron Spectrometer

TOF with Discrete BF3 or PSD Detectors

PSD Detectors electronics

PSD Zoning by path lengths

Event Zone Detection Circuit

Time Recording unit and Position Encoding Electronics for Neutron Time of Flight Spectrometer

Time Recording Unit: Internal Block Diagram

Time Recording Unit: Timing Diagram
