

---

NucNet provides nuclear-related news about the operation & construction of nuclear power stations, policies affecting the nuclear industry, nuclear safety & security, emerging nuclear technologies and the safe use of ionising radiation, etc.

SIRD has access to NucNet news alerts through email.

Those interested can avail this NucNet emails facility by subscribing online at the link made available on **Lakshya**.

Stay Updated by subscribing to NUCNET Mailing List via  
<http://lakshya.barc.gov.in>

Archival of NucNet from 2013 is also available at  
Saraswati portal [Digital Institutional Repository](#)
