

## MCA based NaI(Tl) gamma spectrometer

## Well-Type MCA based NaI(Tl) gamma spectrometer

# GM Counter

## **NaI(Tl) Scintillation Detectors**

# SCA based Multi-input Data Acquisition System

## **Waterproof Scintillation Detector with accessories used for Sediment transport studies**

## Set-up for tracer studies in laboratory (RTD, RPT, Densitometry)

## Facility for preparation of gas tracer

## Radiotracer Injection System

## Lead Collimators fabricated as per experimental need
