

70th DAE - SOLID STATE PHYSICS SYMPOSIUM

December 16 – 20, 2026

Visva-Bharati University, Santiniketan, West Bengal, India

The 70th edition of DAE Solid State Physics Symposium (DAE-SSPS-2026), the flagship national symposium on condensed matter physics will be held at the Visva-Bharati University, Santiniketan, West Bengal during December 16-20, 2026. The scientific deliberations at the symposium will cover a wide range of topics spreading across plenary talks, special evening talks, invited talks, thematic seminars and contributory papers. In addition, there will be talks by DAE SSPS Young Achiever (YA) nominees and presentations of selected Ph.D. theses. Among the accepted contributory papers for poster presentation, a few will be selected for oral presentations.

SUBJECT CATEGORIES

- Phase transitions and dynamics
- Soft matter including biological systems
- Nano-materials
- Experimental techniques and devices
- Surfaces, interfaces and thin films
- Computational, AI and ML methods in condensed matter physics
- Dielectric, ferroelectric and piezoelectric materials
- Transport properties and semiconductor physics
- Magnetism and superconductivity
- Energy and environmental materials
- 1-D, 2-D and quantum materials

IMPORTANT DATES

Paper Submission : July 6–August 3, 2026
Paper Acceptance Intimation : Sep. 15, 2026
Registration : Sep. 21-Oct. 19, 2026

CONTACTS:
